

VETERAN'S SALUTE

Today is Veteran's Day. Every Wellness Wednesday video presentation we salute our Active Duty and Veteran's. Freedom is not free. I thank my earthly father and my brother for their military service and all men and women across the planet who have served to protect freedom. We are blessed in the United States to have the world's most powerful military to protect our freedoms and be a beacon of light for many other nations.

VERSE OF THE DAY

Therefore, take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm.
Ephesians 6:13

As God uses us for his glory to "clean up" the evil in the world, it will be the United States Military that ultimately enforces and preserves our way of life. Indeed, God is in control, yet he expects all of us to do our part for his glory. Today and every day we salute our Veteran's:

"Veterans are the light at the tip of the candle, illuminating the way for the whole nation. If Veterans can achieve awareness, transformation, understanding, and peace, they can share with the rest of society the realities of war. And they can teach us how to make peace with ourselves and each other, so we never have to use violence to resolve conflicts again." Thich Nhat Hahn
